PROFESSIONAL SUMMARY

Motivated and detail-oriented Frontend Web Developer, SEO Content Writer, and Graphic Designer currently in HND Final Year. Experienced in building responsive websites with HTML and CSS, creating search-engine-optimized content, and designing visual materials. Passionate about continuous learning, problem-solving, and delivering quality digital solutions.

EDUCATION

Higher National Diploma (HND) — Final Year Student

CORE SKILLS

- Frontend Web Development (HTML, CSS)
- Responsive Web Design
- SEO Content Writing
- Graphic Design
- Website Layout & User Interface Design
- Content Creation & Digital Communication

PROJECTS

Personal Portfolio Website

Designed and developed a responsive personal portfolio website featuring a fixed navigation menu, About section, Skills section, Project showcase, Contact section, smooth scrolling, hover animations, and downloadable CV functionality.

Responsive Login Page

Built a clean and mobile-friendly login interface using HTML and CSS with a focus on usability and responsive design.

Business Landing Page

Created a professional landing page for local businesses to present services, attract customers, and strengthen online visibility.

CAREER OBJECTIVE

To apply and expand my skills in web development, SEO writing, and graphic design while contributing value to organizations and clients through creative and effective digital solutions.
